**Payment Policy**

The Principia Center is a non-profit organization, and we are committed to offering small classes (not more than 12 students per class). As a result, we depend on the families which have registered to fulfill their financial obligations for the entire school year.

- If a student drops a class before July 16th, 2019, there will be a \$150 per class fee due immediately upon withdrawal. Lab fees associated with a dropped class will be refunded.
- If a student drops a class after July 16th, 2019, the full tuition will be due immediately upon withdrawal. Lab fees associated with a dropped class will not be refunded.
- Cancelling the honors option for a course by the fifth class meeting day will result in a refund of the honors fee.
- Withdrawals, without fee or tuition penalty payment, will be honored when there is the death of the registered student's parent, loss of job, or the family moved more than 35 miles from our meeting place.
- If a student is dismissed, it is nonetheless the responsibility of the student's family to fulfill all financial obligations to The Principia Center.

I have read and understand the cancellation policy and promise to fulfill my financial obligations to The Principia Center.
