

## The Principia Center

*Developing Discerning Disciples of Christ*

The Principia Center is a non-profit organization which assists homeschooling families by providing weekly classes for their students. Currently we offer middle school and high school level courses in English and science. Meeting in northeast Columbia, we are serving families who have not had access to a local resource in the past.

As a small, non-profit organization striving to keep registration fees low for our families, sponsorship is essential. Would you consider helping the homeschooling community here in northeast Columbia? These gifts are tax-deductible and you will be recognized on our website, at our year-end program, and in weekly emails to enrolled families.

Thank you for considering becoming a sponsor for The Principia Center.

Sincerely,

*Eric Sabin*
